The Education Directorate Council with the presence of Yeneimis Marcos Zulueta, Member of the Municipal

Party Bureau and Dunia Teresa Pérez García, Coordinator of the Administration Council, carried out the work

balance for the year 2020. Where they evaluated the fulfillment of the indicators of the year, as well as the

solutions to the problems presented in this period, exposing positive experiences carried out in the Popular

Council of Agramonte based on the new ways of working in the improvement of education. The popular councils

of Agramonte, Torriente and Australia were stimulated by the work carried out by educators in times of pandemic

in order to increase school retention from each of the homes. The educator Kenia Cepero Gregorio was recognized

for her participation in PEDAGOGIA 2020 ONLINE
