

Taxpayer:

You can find us in the following ways

The ONAT office of the municipality of Jagüey Grande is located at Calle 62% 13 y 15, here you can come to carry out your procedures, in addition to making any questions, concerns or information that you need.

We also have a telephone for the attention to the population whose number is 45913176, through this you can clarify doubts or make inquiries, there will always be a person available during working hours so that each call is answered with the information you request. We also have an email, its address is:

consultations@jgran.mtz.onat.gob.cu Through this you can write to us, we guarantee to give clear and accurate answers to each person who uses this means of communication with the office.

We guarantee that by the route you request, you will receive excellent care.
