In the municipality we have 3 rehabilitation rooms located:

1 in the same Polyclinic December 7 in the municipal seat, it is subordinate to said Polyclinic, 1 in the popular council of Agramonte which is subordinate to the polyclinic of this Area and 1 in the popular council of Torriente which is subordinate to the Wilfredo Díaz Polyclinic of said area (Director: Dra. Dailin Quintana Núñez)

To receive the services provided by these rooms, the patient must submit a referral from the CMF doctor or another doctor with another specialty that requires such services for their treatment and take an appointment, once this is done the patient will be evaluated by the Physiatrist and depending on the pathology, the rehabilitation treatment will be applied.
